Evansville, IN 47711
Phone: 812-434-0141
Fax: 812-434-0170

Hamilton, MS

40537 Old Hwy 45S.
Hamilton, MS 39746
Phone: 662-343-5140
Fax: 662-343-5199

* Not all products available at all locations.

– Services –

On-Site

- On-Site Valve Repair
- Inline Valve Repair
- Leak Repair
- Control Valve Repair
- Valve Packing
- Removing/Installing Relief Valves

Asset Management

- Asset Storage
- Barcoding
- Application and Stock Number Management
- Site Inspection
- Failure Mode Analysis

In-House

- Relief Valve Repair
- Manual Valve Repair
- Control Valve Repair
- Valve Automation
- Chlorine Cleaning and Packaging

TVI has developed a web management tool to assist in many aspects of Process Safety Management for relief valves. This requires no change in our customers' MOC process. Ask TVI for a demonstration of the capabilities of how TVI using Intellus™ can be a safety net for your PSM program.

– FILTRATION –

Media

- Coalescing (Free Water)
- Adsorption (Odor)
- Particulate
- Point of Use
- Dust Collector Cartridges
- Dust Collector Bags
- Membrane
- Dessicant
- Pleated Cartridge
- Resin Bonded
- Melt Blown
- Bag Filters
- Carbon and Clay Elements

Filtration Applications

- FRL
- Point of Use Breathing Air Filtration
- Dust Collection
- Mechanical Water Separator
- High Pressure and Alternative Fuel Filtration
- Liquid Propane Filtration
- Dry Gas Filtration
- Spin On Compressed Natural Gas
- Process Filtration
- Air and Gas Filtration

Equipment

- Bag Housings
- Stainless Steel Vessels
- Point of Use Compressed Air Housing
- Large Capacity ASME Vessels
- Point of Use Dessicant Dryers
